

Rehearsal Start

Check schedule and rooms AHEAD OF TIME !!!

Wear your mask

Keep distancing while you gather for rehearsal

Drink water before rehearsal since water is not allowed in classes

Gather all your materials – music, instrument, mask, instrument PPE, etc.

Thoughtfully pick your “doorway” (consider the END of rehearsal)

(Divide into the four outside doors [to ensure distancing])

- Where will you GO OUTDOORS after rehearsal
- Where can you safely store your case during rehearsal
 - Bring valuables on stage with you

Enter stage at the START of rehearsal (not before) (this is during set-up time)

Reminder – we can’t play more than 30 minutes – so limit on-stage warm-up
